ARE.-I arrived here in sections,

CONNECTICET. The Radical Legislature of Connecticat have accomplished a result and confusion occurred by the leg of which, ever since the election, was some other patient being consigned to their fixed object, viz: to prevent me, but I met the proper owner prom-Governor English from taking the seat to which he had been elected by changed salutations and legs. I then the people. The result, says the Wash- took ington Patriot, was supposed to turn ported also, that English had received one hundred votes too many in the Fourth Ward of New Haven. So the "smelling committee" opened the box, when, low and behold! It turned out that Jewell was just plus one hundred more than he should have received! This mistake occurred in indorsing two nucleus and proved is in indorsing two nucleus and nucleus and nucleus in indorsing two nucleus and nucleus indiscriminate shaving, and also that the public may be induced to inpondent on the spot says: "Everybody who was examined testified that the box had not been tampered with; so, if any change took place in the ballots since the last count, the anise ballots since the last count, and in two seconds, by a count a feeling of comparative helpless-out a feeling of the set in the close of the feeling of the set in the close of the feeling of the set in the close out a feeling of the set in the close out a feeling of the set in the close out a feeling of the set in the close out a feeling of the set in the close out a feeling of the set in the close out a feeling of the set in the close out a so, if any change took place in the ballots since the last count, the only thing people had to fall back upon was, that it came about—as some people believe the entire world did—by mere chance," When it is remembered that the parties who have thus eved—dustice by clamor are the very same usen—psalm singing Radicals—who deliberately larged a telegraphic dispatch on the eve of the election in dispatch on the eve of the election in dispatch on the eve of the election in dispatch on the even of the election in the election in the even of the election in th who deliberately lorged a telegraphic dispatch on the eve of the election in Governor English's name, and circulated it over the Shale before contradiction could be effective, the public in this simple, but will know exactly what value to at-

ples it in the dont; and the courage which the people of South Carolina have recently manifested has been frapried by the same estuard in the first spiral by the same of such and the same has been been and the same has been been as the same of south the same has the same has been been been as the same of south the same and the same has been been been as the same of south the same has been been been been been as the same of south the same and the same a which the people of South Carolina Arriving here, you immediately place | Far Lake Superior I-The Union Strambast | and
